

## **MBA**

The course has been designed to account for current (local, regional and international) market trends and has recently been updated to provide additional flexibility, choice and the opportunity and to help apply taught management skills.

The overall objective of this course is to educate and develop individuals as managers and business specialists, adding value through an integrated, applied and critical understanding of management and organisations, as well as the development of professional, transferable and intellectual skills that are essential for successful general and strategic management in private, public and third sector organisations.

Fee: £8,000 (UK/EU), £12,000 (International)
